It is informed that the Department of Commerce, Ministry of Commerce & Industry, New Delhi, has listed this administration in the first phase for rolling out the Mission Mode Project on **e-procurement** in the U.T. of Puducherry using the software developed by the National Informatics Centre.

2. In order to assess the adoption of e-procurement system, the following data is required on priority basis:

- i) Nature of procurement a) description of the items usually purchased b) mode of procurement.
- ii) Volume of tenders published in a year viz. Total No. of tenders (both open & limited tenders) invited during a financial year and its estimated value. This may be based on the data pertaining to the financial year 2011-12.
- iii) If the Department is already floating its tender from a e-procurement system other than the solution developed by NIC, the same may also be mentioned.

3. The said data may be communicated **within a week** for submission to the Secretary to Govt.(Finance)-cum-Chairman, Core Committee(e-procurement).

4. Other prerequisites as mentioned in the I.D. Note / O.M vide reference cited may be complied with for earlier adoption of e-procurement.
